Dear Men's Ministry Leaders and Pastors,

This year, Men's Roundup is celebrating 61 years of ministering to men. For over six decades, God has used this ministry to speak into the lives of men from all walks of life. The Roundup Board is honored and humbled to continue the work of His vital ministry.

We have a fantastic slate of men to occupy the platform and to bring God's special message to you. Our speaker this year is Bill Thrall - pastor, author, and leader of men. Bill Thrall is the Vice Chair, co-author and leadership mentor for Truefaced-Leadership Catalyst since 1995. Prior to joining Truefaced-Leadership Catalyst, Bill founded and pastored the influential church, Open Door Fellowship, for over 20 years. He is the author or coauthor of Bo's Café, Beyond Your Best, The Kingdom Life, Behind the Mask, and TrueFaced.

Our musical guests, both returning for their second gig at Roundup, are Warren Barfield and Trace Bundy. These men are not only talented musicians, but also lovers of Christ; and this is reflected in their music, musical presentations, and their lives.

And of course, we will all have a terrific time in worship, fellowship, and giving praises back to God, our Father.

As always, this is an opportunity for the men of your church to get together, eat well, hang out, and enjoy all that Roundup has to offer. We encourage you to bring those who have never been to Roundup and those who may not know Christ. What a place to form new relationships and build upon the old ones!
